

SUMIT SURYAVANSHI

BTech Electronics and Telecommunication Student

📞 8600980911 @ sumitsuryavanshi2005@gmail.com 📍 Solapur, Maharashtra

SUMMARY

I am a dedicated Electronics and Telecommunication student with a strong foundation in IoT, digital communication, and software development. My academic achievements reflect my commitment to excellence, with a CGPA of 9.56. I have a keen interest in practical applications of technology, focusing on IoT and AI-driven solutions. I am eager to contribute my skills to innovative projects and research, especially within dynamic teams

EDUCATION

BTech

Walchand Institute of Technology

📅 08/2018 - 03/2026 📍 Solapur, Maharashtra

Higher Secondary

Sangmeshwar Collage

📅 04/2018 - 07/2020 📍 Solapur

Secondary School

K.L.E English Medium School

📅 04/2016 - 07/2018 📍 Solapur

PROJECTS

Live Dashboard for Weather Monitoring

📅 01/2023 - 01/1970

A project focused on real-time weather monitoring using IoT technology

- Developed a live dashboard for weather monitoring
- Utilized Arduino, Node MCU, and AWS Cloud

INTERESTS

Areas of Interest

Passionate about working in areas such as digital communication, signal processing, sensor systems, and IoT applications
